

The logo features the word 'correct' in a large, 3D, silver font. The letter 'v' is replaced by a red checkmark. Below 'correct' is the text 'Marketing & Advertising' in a smaller, 3D, red font. The entire logo is set against a white, textured background.

Correct Marketing & Advertising
Production Services

- Correct is a local advertising agency in Jordan since 2013.
- Advertising agency that works in all marketing & advertising methods.
- Our team consists of 13 qualified employees handling all media tasks (media Planner , creative designers , social media specialist , marketing manager , management & other dept.) in addition to the 25 qualified professional team members for production.
- Having out sourcing contacts in the needed requests chosen in intensive care.
- Having competitor prices & discount rates among all media types with high quality services & follow ups.

- ❖ We print a high quality printing for indoor & outdoor materials using the best printers in Jordan.
- ❖ High quality machines for indoor printing while using the best materials.

Printers used are:

- VUTEK EFI 5330 – 8 colors 5 meter width – Qty :3
 - VUTEK EFI 3360 – 8 colors 5 meter width – Qty :1
 - VUTEK R3225 UV Printer – Qty :1
 - EFI MATAN BARAK UV 5 meter printer 2019
 - EPSON S60610 – BEST INDOOR & OUTDOOR PTINTER AND THE ONLY IN JORDAN
 - SEAL 62 USA MADE LAMINATOR
 - MIMAKI CJV 150-160 PTINTING & CUT
- ❖ All materials of banners, flex, see through and stickers are European origin.

Production Equipment's

We have large production areas where banners and posters are made from the wide format machines, plus several clean rooms where the digital printing is kept. All in all, it's a multi-faceted no-holds-barred printing environment, and we're very proud of what our print team can do.

- Booth & Exhibition stands
- Display stands
